

## Brass Valve Tags

- 20 Gauge or .032" Material Thickness
- 1.5" or 2" round and square tags are available
- Tags are stamped and black-filled
- ¼" Service Indicator – top line
- ½" Numbers – bottom line
- 3/16" Mounting Hole
- Custom sizes, shapes and gauges available by special order

Solid brass "S" hooks, #16 brass jack chain, #6 solid brass bead chain, nylon ties, lead meter seals or zinc snap hooks are available to attach valve tags. Each is a tough, sturdy, and corrosion resistant fastener.
