

Accident Prevention Tags

DESCRIPTION

Marking Services plastic Accident Prevention Tags are constructed of 10-mil vinyl. They are designed to tag equipment for lockout during maintenance, convey characteristics specific to a piece of equipment, or detail maintenance instructions and operation procedures. Highly visible printed legends will remain effective both indoors and outdoors. Durable heavy-duty plastic construction provides excellent protection against moisture, sunlight, and the effects of harsh chemical environments.

Each tag is 5.75" x 3" and comes with a stainless steel grommet to protect the tag from deteriorating during use. Tags come with 8" nylon ties for easy installation. Premium Self-Laminating Accident Prevention Tags are also available.

Standard Colors:

CAUTION – Black Text and Header on a Yellow Background

DANGER – Black Text, Black and Red Header on a White Background

NOTICE – Black Text, Blue Header on a White Background
