BLACK ENAMEL ALUMINUM EQUIPMENT TAGS

DESCRIPTION

Black enamel background makes great looking small tags and signs. Use for equipment plates to show model name and characteristics specific to a piece of equipment. Can be used to show maintenance instructions and operating procedures. Highly visible contrast between the engraved legend and the black background. Durable indoors and outdoors. Available in 1" x 3", 2" x 4", 4" x 6" plates. Equipment tags come with standard 3/16" mounting holes, two side holes for 1" x 3" and 2" x 4" tags and four corner holes for 4" x 6" size.

Solid Brass or Stainless Steel "S" hooks or jack chain is used to attach valve tag to provide a tough, sturdy and corrosion resistant fastener.
